Statement of Purpose

I am **Prakash Adhikari** a student permanent resident of Kaski-1, Pokhara Nepal.. My father name is **Mr. Sashi Dhar Adhikari** and mother **Mrs. Min Kumari Adhikari**. My father is running a business whose name is **“Adhikari Suppliers”** and my mother is a salaried employee in **“Employee of Evolving Child Development Centre”** these two are our major sources of income also we enough land from where are can produce agricultural, vegetable and fruits for our home use so that I can say we are financially sound family in this locality.

As far as my academic history is concerned, I completed tenth grade and got school leaving certificate (S.L.C) in 1st division from Global Collegiate School Ramghat Pokhara on the year 2006 A.D. and I completed Proficiency Certificate Level (10+2) on the year 2008 A.D. in management faculty in second division from Global Collegiate H S School, Ranipauwa Kaski. I appeared in IELTS exam on 27th September 2008 and my over all band is 6.

Now, further I am willing to study Advanced Diploma of Business (Management) in Central College, Sydney, Australia for which I have already got offer letter. As I am from management background so that I would like to enroll for the same course and would like to get the internationally acceptable degree certificate which I found central college Australia can be my career path so that I choose this course of study.

As this course is course is base on practical as well as the theoretical from which I can improve my career skills for my betterment to enlargement of my future dream to become a successful entrepreneur to run a business organization as this course of content is very much comparable to my future goal which is happily acceptable by global employer as well.

It is one of the best fields to pursue my career. And I have chosen to study abroad because in Nepal we don't have such course offer. That's why I thought of studying Advanced Diploma of Business (Management) in Central College, Sydney, Australia. It is well known that Australia has best education system in the world and academic qualification received from Australia is worldwide recognized and acceptable too, all colleges must need to follow ESOS and CRICOS rules. Along with this, Sydney is very peaceful location and Central College provides homely environment for us along with well equipped laboratories and it will be an honor to be taught by such highly qualified teachers. That's why I chose to study in this college, Sydney.

After completion of this course build up a good entrepreneurship skill for my further career path and will be eligible to enter the reputed university.

The total expenses regarding my studies and stay of my over all course period will be AUS \$ 10200 Advanced Diploma course (Tuition Fee). AUS \$ 24000 (Living expenses) + AUS \$ 2000 (Traveling Expenses) AUS \$ 36200 which is equal to NRS. 1,921,496 (in word NPR One Million Nine Hundred Twenty One Thousand Four Hundred Ninety Six only)
